Coorg.—Rain-fall 19 cents. No change.

Abstract of Season or Intermediate Reports for the Week ending 8*th March* 1879.

Bangalore District.—The crops are in good condition, but in some places in the Dodballapur and Anekal Taluks rats, it is said, are destroying the crops. Fever and ague are prevalent in some places. Prices stationary.

Kolar District.—State of the crops is reported to be satisfactory. Public health good. Prices stationary.

Tumkúr District.—Report not received.

Mysore District.—State of the crops and prospects good. Fever is prevalent. Prices stationary.

Hassan District.—Rain-fall 42 cents. No change in prospects. Prices falling.

Shimoga District.—Rain-fall 10 cents. Prospects good. Prices stationary. Malarial fever and cough are said to be prevalent.

Kadur District.—No change since last report.

Chitaldroog District.—Crops are in good condition except in certain parts of Dodéri, Davangere and Chitaldroog Taluks, where they have been partially destroyed by rats. In Hosdurga Taluk the paddy crops are attacked with disease. Fever prevailed in many parts of the District. Prices falling. In a later report, it is said that heavy showers of rain accompanied with hail-stones fell in certain villages of Dódéri Taluk; several trees were blown down and damage caused to crops and live-stock.

Coorg.—No change.
